Response to Restriction Requirement

Sir:

This is in response to the restriction requirement mailed October 1, 2003 wherein the claims were grouped into the following categories:

- I. Claims 1-12, 20, and 21 drawn to a pivotable collecting device, classified in class 270, subclass 52.08.
- II. Claims 13-21, drawn to a method for folding sheet material, classified in class 412, subclass 437.

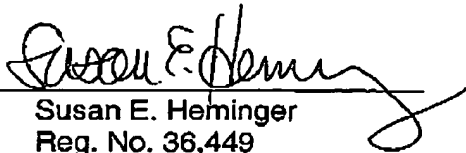

Per a telephonic communication with Examiner Henderson it was determined that the categories should be revised as follows:

- I. Claims 1-13, 20, and 21 drawn to a pivotable collecting device, classified in class 270, subclass 52.08.
- II. Claims 14-19, drawn to a method for folding sheet material, classified in class 412, subclass 437.

In response to the restriction requirement Applicant elects Claims 1-13, 20, and 21 (Group I) without traverse.

Respectfully submitted,

By

Susan E. Heminger
